

Gladstone Horse Driving Trial

April 30 – May 1, 2011

www.gladstonedriving.org

The Gladstone Equestrian Association is proud to announce the return of combined driving to Gladstone, New Jersey. It has been 2 years since this world-class venue, designed by Richard Nicoll, has been a host for the sport of combined driving.

We would like to invite you to join us for the Gladstone Horse Driving Trial to be held April 30 – May 1, 2011, at the Hamilton Farm Golf & Equestrian Center located at 1040 Pottersville Road, also the home of the United States Equestrian Team Foundation.

This year's event will be recognized by the American Driving Society, and will welcome drivers competing at the Training, Preliminary, and Intermediate levels. There will be classes for Pony/Horse – Single/Pair/Tandem/Team. A Horse Driving Trial consists of three phases of competition. The first two competitions will be held on Saturday April 30th: Dressage, which tests the obedience of the horse and the accuracy of the driver, followed by the Obstacles, a series of cones where meticulous accuracy is required. The final competition is the Marathon, the most exciting phase where the competitors are timed while negotiating cross-country obstacles, will be held Sunday, May 1. Please come and watch this sport as a way to enjoy the beautiful countryside, enjoy the camaraderie of the competitors and maybe find a new family sport.

As you may know, entry fees cover only a small portion of the costs to run an event of this magnitude. Your support and generosity are essential to insure that Gladstone will once again become a permanent addition to the annual combined driving calendar.

Enclosed you will find our sponsorship opportunities. Please take a moment and review them. All of your donations are deductible as allowed by law, as we are a 501(c)(3) corporation.

On behalf of the Event Committee, the competitors and Gladstone Equestrian Association Board we would like to thank you in advance for your support and we hope to see you at the Pine Meadow for the 2011 Gladstone Horse Driving Trial!
